Due by July 26th:

- ☐ Complete and submit the online Paperwork Submission form (<https://form.jotform.com/231288793372163>). To complete this form, you are required to upload the following:
 - USA-WSWS membership cards for the competitor, driver, and/or pinner, **ONLY IF changes were made after submitting the entry form by July 14th.**
 - Music file (10.6 MB or less). **Accepted audio formats:** MP3, M4A, Wav, or AAC
 - Pass List (swivel & doubles only)
 - Swivel (<https://form.jotform.com/showski/swivel>). *This is the only form that will be accepted.*
 - Doubles (<https://form.jotform.com/showski/doubles>). *This is the only form that will be accepted.*
 - Jump does not require a pass list.

REQUIRED SAFETY MEETINGS:

A required safety meeting is held 30 minutes prior to the start of each act. The 1st safety meeting is for the Swivel Open competitors, their drivers & pinner, and will be held at 10:30am on the main dock. Since times will vary, a formal schedule will not be posted for the remaining safety meetings. It will be the competitor's responsibility to arrive on time for their event's safety meeting and attendance is required to ski. If the safety meeting is missed by the competitor, their driver, and/or pinner, the competitor will not be allowed to ski.

LATE REGISTRATION:

You can still register to ski in the individual competition after July 14th; however, a late entry will result in a 50% added entry fee and you will be seeded to ski first in your division. If registering late, please contact tournamentfiles@gmail.com to see if there is space in your division. All paperwork & music (if applicable) are due NO LATER than 10:15 am at the registration table at the tournament ski site on Friday, July 28th.

Copying/printing onsite should be avoided due to time and resources. If required, each printed page will cost 15 cents.

If registering late, you are **REQUIRED TO BRING** the following paperwork:

- **Swivel & Doubles:** BRING 15 copies of the NSSA Pass List
 - Swivel: <https://form.jotform.com/showski/swive>
